An introduction to the nature and management of lymphoma

09.15 – 16.15 Wednesday 13 October 2010

**Main Auditorium, Education Centre, The Christie Hospital,
Wilmslow Road, Manchester M20 4BX**

What can you expect from the day?

This education day is aimed at nurses and allied health professionals involved in the care of lymphoma patients. Presentations from expert medical and nurse speakers will provide an overview in the treatment and management of lymphoma and there will be opportunities to meet and network with colleagues from across the UK.

What information will I receive before and on the day?

Once your completed registration and payment slip are received, you will be sent a confirmation of your booking and further information about the event. On the day you will be given a delegate pack containing copies of the presentations and an RCN certificate of accreditation for your CPD and portfolio.

About the organisers

This event is jointly organised by the Lymphoma Association and the Christie NHS Foundation Trust as part of the Association's regular series of highly regarded, low-cost study days for nurses. The Association is very grateful to the Christie for putting together an excellent programme, giving you the chance to hear from leading experts in the field who are involved in world class research.
